“Where the vision is one year ,cultivate flowers, where the vision is 10 years, cultivate trees, where division is eternity cultivate people”. Yes here in Vimala we train and cultivate pupil, mould young generation in view of eternity the future generation.

The academic year 2019-20 of Vimala Public School has been outstanding and a significant one with numerous curricular co curricular and extracurricular activities in a distinct manner. So it makes me proud to present before you the annual report of the year and it is my pleasant duty to give you a brief account of the same as we celebrate the 15th annual day.

I am very glad to say that we carry out the vision and mission of Saint Kuriakose Alias Chavara the founder of our congregation who was the pioneer in the field of education and great reformer of Kerala who initiated development of society at large.

As we approach almost to the end of the academic year 2019-20 and 15 years of service towards providing quality education since our inception in 2004.we take this opportunity to thank Almighty God for the abundant blessings he has showered upon us. We thank mother Mary for her powerful protection

Management

Education for human excellence is the slogan of the day. The task of providing quality education assumes tremendous importance. Proper guidance, motivation and inspiration to the young ones in classrooms can make wonders in moulding the future of the society-the country, at large.

Vimala Public School under the management of CMC sisters seeks excellence in education. The manager education councillor and the local manager visit the school in a regular interval and holds detailed discussions with the staff regarding the affairs of the school and give us timely encouragement, suggestions and financial support. It is our united efforts and holy task to make Vimala a school with a difference and a centre of excellence. For the congregation education is not just a profession but is sacred call and a great apostolate. We are very grateful to the management for the priceless aids and support.

Moral and Religious formation

The students of vimala public School are given formation based on religious and moral principles. Each day of vimala begins with God's blessings. We begin the day with prayer and ends with prayer. Each period begins and ends with short prayers. Besides regular catechism and moral science classes, 3 days value education programme was organised for the students. One day workshop was

conducted for the students and parents of class 9 and 10 Dr Siju Thomas an eminent psychologist and counselor. It was a very useful and a highly motivating. One day programme was arranged for the parents by step Jimmy Jose about the need of having a good family bond and understanding. The class was really motivational and inspiring. Holy mass, retreats, and prayer services were arranged for Christian students.

School Assembly

Call assembly is organized in its due importance and all the students take part in it with much zeal. Open assemblies are conducted twice in a week and the students from class V to X take active initiatives in conducting and leading the assembly.

The assembly begins with prayer, followed by Bible reading, pledge, sharing of thought, reflecting on the message and news reading.

Along with this, important days that have to be observed are celebrated during open assemblies. These kinds of gatherings help the students to be more informative and also creative.

Curricular activities

Vimala gives prime importance for curricular activities. Here students are provided with challenging and purposeful learning experiences. Is designed to be learner centered, activity Oriented, IT based and to develop life skill. Here each student is assessed based on formative and summative evaluation tools which include scholastic co scholastic and personality traits. We have incorporated continuous and comprehensive evaluation system with grading for the individual assessment. Collections seminar assignments and project works are integral activities of learning process. Smart classrooms and audiovisual labs are being used in teaching and learning process to make learning interesting and lively.

As per instruction of CBSE 3 periodic tests and annual examination are conducted for the students. Moreover test papers and unit test are part of the curriculum. Regular parents meeting arranged after the examination to evaluate the performance of the students. Weak students are specially cared, adopting various methods in teaching and learning.

Co curricular activities

Each individual is gifted with unique talents. Vimala provides a platform for them to actualize their potential and to expose their talents. Co-curricular activities which help the students to discover the inborn talents in them, are the part and parcel of our school curriculum.

The co curricular and extracurricular activities are started with the formation of school cabinet, houses and clubs. We are fortunate to have with variety of activities for the all around development of personality. These activities are coordinated and conducted under four houses.

Special training is offered in music drawing dance karate yoga and work experience with the help of specialized and proficient teachers.

Sports and Games

Nothing great is ever achieved without enthusiasm. Sports and game always create enthusiasm and team spirit. So we also give enough opportunity to train and improve our talents in the field of sports and games.

In order to boost our sports and games, we are blessed to have a spacious ground and other facilities.

Our football team participated in the CBSE football tournament conducted at Vishwajyothi CMI public School Angamaly and won 3rd position.

16 of our students participated in the Central Kerala Athletic championship held at Vishwajyothi CMI public School Angamaly and secured good positions. Master Mishal Pally secured 1st prize in triple jump and 3rd position in long jump. Kumari Alka Biju of std VIII got 3rd prize in long jump.
